Thank you, Lionel. I know you and I were talking about meeting with Hopi Tribe staff about the HAMP on Thursday, December 1. Perhaps that would be a good time to introduce Emmanuelle to Tim and vice versa, since it looks like she will be working the most with Tim in the future about the HAMP. I met Tim previously when I was in American Samoa.

All,

Just got word that the HPUA candidate accepted the offer and will be starting on November 28. His name is Tim Bodell.
